FISCAL ANALYSIS

ASSUMPTION

Officials at **Southeast Missouri State University (SEMO)** state this proposal authorizes SEMO to convey property to the Cape Area Habitat for Humanity. The property at 319 S. Ellis Street in Cape Girardeau, Missouri was donated to the University in 1977, prior to the establishment of the Southeast Missouri University Foundation. The Foundation is a 501(c)3 corporation which now serves as the gift receiving organization for the University.

SEMO states, the property is located approximately one mile from the main campus and is a small vacant lot that does not provide any building opportunity for the university. This proposal would allow the university to transfer ownership of an asset that currently requires maintenance by the university but provides no opportunity for practical use by the University.

SEMO assumes there is no fiscal impact from this proposed legislation.

Officials at the **Office of the Attorney General** assumes that any potential costs arising from this proposal can be absorbed with existing resources.

Officials at the **Department of Higher Education**, and **Cape Girardeau County** assumes there is no fiscal impact from this proposed legislation.

Oversight assumes SEMO will realize minimal savings related to maintenance on the existing vacant lot to other maintenance projects.
